### PLEASE READ this waiver.

In no way will Michel Marin or any other person, but yourself, be responsible for your use of this application. You use any calculations and estimations provided by this application at your own risk, and should perform your own calculations before diving.

This application is provided as is, and without any claims of fitness for purpose. It is provided as a theoretical tool for fast estimations, and **must not** be used as the sole tool for planning dives.

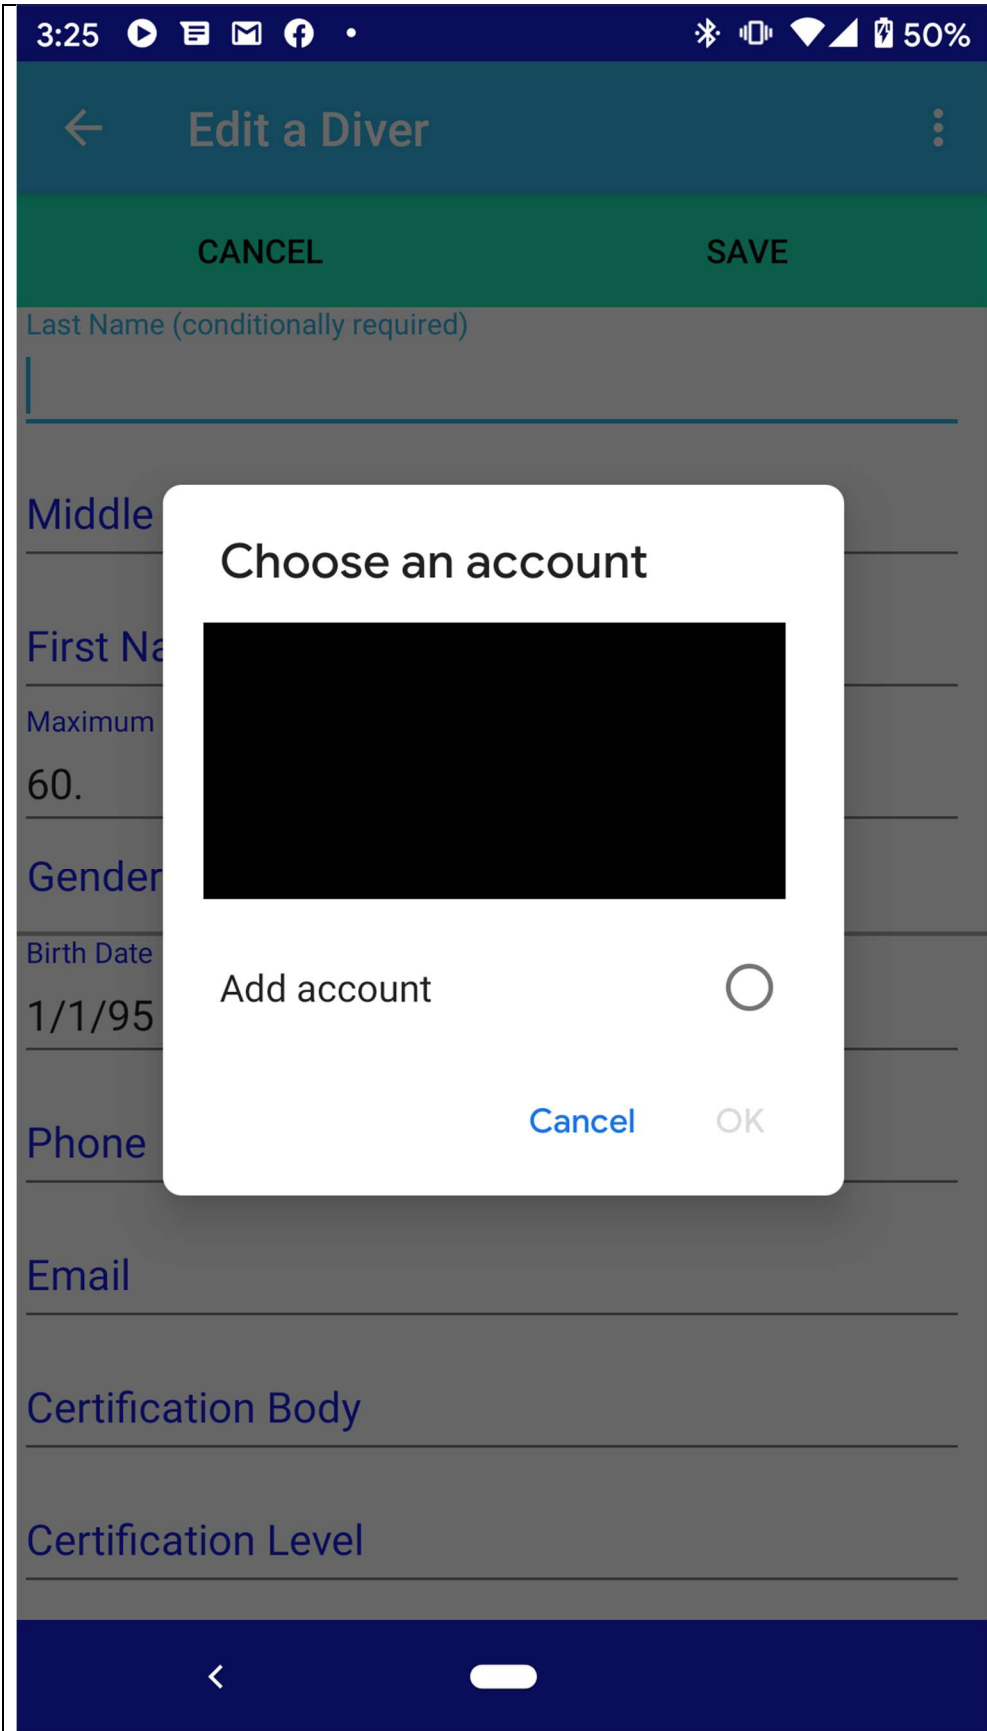

You are responsible for explaining this agreement to any third party who may use this application on your equipment.

You can read, accept or refuse this waiver any time by clicking Waiver in the main menu.

Initial display.

Select ACCEPT or REFUSE.

Choose to add an account or Cancel.

MABAI does nothing with the email account.

It is reserve for future use.
